**CAREER DEVELOPMENT SOLUTIONS TO OFFER CAREER TRAINING NATIONWIDE**

[Anaheim, CA] – As of October 6th, 2023, Career Development Solutions no longer has any affiliation with the New Horizons brand. The company will continue to conduct business and offer career training under the Career Development Solutions, LLC company name, and intends to expand their IT and career training nationwide.

“We are grateful for all of the prior students we have served and will continue to serve, along with future opportunities for students nationwide to better their lives and careers with us at Career Development Solutions,” said Ryan Landry, VP of Sales, Career Development Solutions.

Career Development Solutions was incorporated on January 31, 2011. Learn more at [www.careerdevelopmentsolutions.com](http://www.careerdevelopmentsolutions.com).

**About Career Development Solutions, LLC**

Career Development Solutions offers career training programs to better your life. We give students new opportunities through globally recognized career training programs. We provide industry-leading certifications, training preparation, focused career paths, award-winning teachers, and the support you deserve.

Our career development programs match job training with industry-recognized stackable certifications built into our training programs. We create and deliver training programs that focus on in-demand sectors including Information Technology and Manufacturing, along with closing the Technology Gap that is hindering individuals across our county from gaining employment.
